

# Safety Plan

Jennifer Brosenitsch, LPC

My primary goal is to keep you safe. This safety plan is designed to give you resources in the event of a life-threatening event (imminent danger to self, others, or property). To ensure that you and others are safe, please remove or lock up any potential safety risks such as knives, guns, blunt objects, medications that could cause over-dose, or anything that could be used to cause bodily injury.

If you are experiencing suicidal thoughts, please inform me and we can schedule an appointment as soon as possible. If these thoughts turn into a plan to harm yourself or others, **IMMEDIATELY CALL 911 or the BUTLER COUNTY CRISIS LINE at 1-800-292-3866**

The Butler County Crisis Line: 1-800-292-3866

Telephone Crisis services are offered 24 hours a day, 7 days a week, 365 days per year.

Mobile Crisis services are offered from 8:00 am through midnight, seven days a week.

Walk-in services are offered 7 days a week from 8:30 am to 4:30 pm at Center for Community Resources

Crisis Text Line
